**DEFENDANTS ASUSTEK COMPUTER, INC.’S AND ASUS COMPUTER  
INTERNATIONAL’S UNOPPOSED MOTION FOR EXTENSION  
OF TIME FOR ASUS COMPUTER INTERNATIONAL  
TO ANSWER OR OTHERWISE RESPOND**

Pursuant to Rule 6(b), Fed. R. Civ. P., defendants ASUSTek Computer, Inc. (“ASUSTek”) and Asus Computer International (“ACI”) file this unopposed motion for an extension of time for ACI to answer or otherwise respond to the complaint (Doc. 1). Good cause exists to grant the motion, as counsel for ASUSTek and ACI, which have a parent-subsidary relationship, only recently were engaged. In addition, while ASUSTek has not yet been served with the complaint and summons, it would consent to waive service and to accelerate its deadline to answer or otherwise respond to match ACI’s deadline in the interests of judicial economy and efficiency.

Counsel for ACI and ASUSTek has conferred with counsel for Plaintiff, and they have agreed to a thirty (30) day extension for ACI to answer or otherwise respond. In exchange, ASUSTek has agreed to waive the requirement for service via letters rogatory. Should the Court grant this motion, ACI’s and ASUSTek’s responses would be due November 17, 2011.

ACI and ASUSTek do not believe that Plaintiff or the other defendant would be prejudiced by granting this motion and respectfully request that it be granted.

Dated: October 18, 2011

Respectfully submitted,

/s/John R Linzer
